

HR6 My right to equity and nationality

For each of the situations described below, put ✓ in the columns I agree or I disagree.

| <i>Situation</i> | <i>I agree</i> | <i>I disagree</i> |
|--|----------------|-------------------|
| 1. A child is born on board a plane during a flight. The child will be given a name and be registered when his parents return to their country. | | |
| 2. A child is born in a foreign country. The father's whereabouts is unknown. Still the child has to be registered, be given a name and a nationality. | | |
| 3. A 13-year old boy from Korea and his parents move to another country. The boy enrolls at school there. His new classmates insist that he change his name because it is difficult to pronounce and remember. | | |
| 4. Vesna is Serbian and she is married to Ahmed from Jordan. Her husband's relatives insist that she change her nationality but she doesn't want to. Vesna thinks it is unfair. | | |
